OCTOBER

MEETING AND REP NOTES

Due to the fact that our Area Rep., Will Williams, was home ill, Pete Dupree and Sally Williams ran the meeting. We all hope Will, will be feeling better soon.

There were 42 members and 5 guests attending our October meeting. A big welcome to Walter Bellrose Jr., Elmer Koner, Steve Puger and Jim & Ruth Reynolds.

Janet Dumigan discussed the Christmas Party with us. We are doing something different this year. Starting at our October meeting we are selling \$1 chances for a free dinner at the Christmas Party. For every 20 tickets sold we will draw a winner. Also this year each couple will bring one dozen Christmas cookies & recipe wrapped to exchange, one dozen Christmas cookies & recipe boxed to eat for dessert. Instead of exchanging gifts each couple will buy two \$5.00 or one \$10.00 stuffed animal and /or game for Upstate Pediatrics Unit. Anyone wishing to bring a door prize may do so. The Christmas Party will be held December 15 at the Rusty Rail, Rt 5, Canastota.

Haze Grover has decided that she will not continue with the For Sale list. As of today Walt and Lynne Bellrose will be doing it.

It was discussed and agreed upon that each month you are to call Walter or Lynne Bellrose to let them know if your item has been sold or not. If you don't call, it will automatically be deleted from that month's newsletter.

Deanna Shoff will be selling tickets for our Christmas 50/50 this month, November and at the party.

For our Christmas party this year, All door

prizes will be welcome. Jim Tillotson will go to CCI, Linda Phillips to Honda of Utica and Linda Prue will go to Sport-Mann Suzuki/Honda. Dave Pratt will be asked to go to Kelley's. Jim Tillotson and Linda Phillips will be asked if they will keep a record of all the gifts and donations at the party.

Once again anyone bringing a door prize please be sure to let us know who it came from.

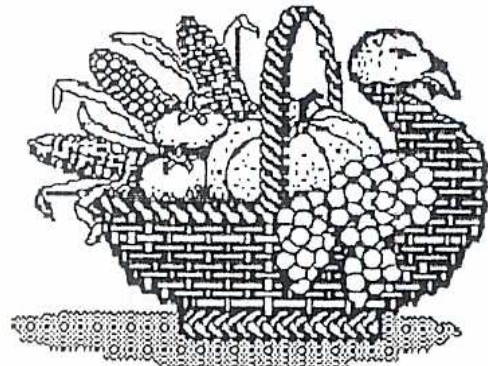

Haze gave us order blanks for the Christmas Party to fill out and they were put on the literature table. One will go in every newsletter also. Please fill them out and return to Haze Grover by December 1 with your money.

Andy Kadys reminded everyone that he will still send in your Chapter shirts to have the National Logo and your name put on them. The fee is \$3.00 plus postage.

The 50/50 was by Walt Szymanski.

Bake Sale was won by Harold Phillips. Bake us something good Harold for our November meeting.

The first free dinner for our Christmas party was by JANET DUMIGAN!!!!!!!

COMMITTEES

SWEAT SHIRTS

Christmas Party Committee:

CHRISTMAS PARTY

The Christmas Party committee met recently at Janet Dumigan's in Central Square. The party is set for December 15th at the Rusty Rail in Canastota.

Committees are: Free dinner tickets sold by Janet Dumigan. Special 50/50 tickets sold by Deanna Shoff. Reservations / Poster /1991 Location Haze Grover

Door Prizes: Jim Tillotson, Linda Prue, Linda Phillips, Sally Williams & Shirley Hammond.

Childrens gifts for Upstate: Janet Dumigan

Christmas Cookies: Vi Graves, Ilse Backus
Sally Williams

Table Favors: Linda Prue & Haze Grover.

There will be a short meeting following the November Chapter Meeting, to finalize Christmas Party arrangements, per Haze Grover, party co - ordinator.

SAFETY - TOUR - TECH

SAFETY CO-ORDINATOR

Dick reminded any new members that there is a Safety Video you can barrow from the chapter to view. Once again everyone out there riding please be careful of the wet leaves on the road

TOUR CO-ORDINATOR

Janet Dumigan reminded the tour committee that there will be a meeting at her home in Central Square on November 3 at 7:30 p.m.

TECHNICAL ADVISOR

Steve Brown reminded everyone that it will soon be time to winterize their bikes. See October's Newsletter , page 5 on the correct way to winterize your bike.

NOV 11**

STATE NEWS

NEW YORK STATE DIRECTOR:

Dear Area Rep:

Come to the New York State area rep's meeting on November 18th at the Utica exit of NYS thruway. We'll be in Howard Johnson's banquet room in the main restaurant at 10:00 a.m.

Ed Lewis will be attending the meeting, if anyone is planning on arriving Saturday evening, he will be staying at Howard Johnson's and would be glad to meet you for dinner.

At this meeting you will find answers: Where will Region "C" rally be held? Will there be a NYS rally? and more.....

At your next chapter meeting check with your members to find out how many rocker sets and patches you might need. We will be taking orders on the 18th.

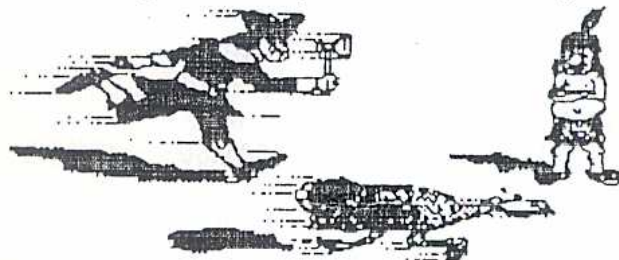

Hope you will all be able to attend, I am looking forward to seeing you there.

Safe biking, Carl

Chapter "D" HAPPENINGS

OLD FORGE & BUFFALO HEAD

On a beautiful October day Al & Mary Ann Barella, Dave & Mimi Albro, Walt & Lynne Bellrose, Linda & Harold Phillips, Dave & Louise Ferguson and Margaret & Jim Ribley started out for a ride to Old Forge. The temperatures were in the high 70's, which was a nice change. We arrived at the Buffalo Head for lunch at 1:00 p.m. where we had a relaxing 2 hour meal and lots of conversation. After lunch we headed up to Old Forge. We pulled into an nice ice cream stand and some of us took pictures and others got dessert. After a short visit with everyone we headed on back to Syracuse. A good time was had by all.

A LITTLE RIDER KNOWLEDGE

HANDLING DANGEROUS SURFACES:

Your chance of falling increases whenever you ride across:

- Slippery surfaces
- Uneven surfaces or obstacles.
- Railroad tracks.
- Grooves and gratings.

SLIPPERY SURFACES:

Motorcycles handle better when ridden on surfaces giving good traction. Surfaces that provide poor traction include:

Wet pavement, particularly just after it starts to rain and before surface oil washes to the side of the road.

Gravel roads, or places where sand and gravel have collected on paved roads.

Mud, snow, and ice.

Lane markings and steel plates and manhole covers, especially when wet.

HANDLING SLIPPERY SURFACES:

There are a number of things you must do to ride safely on slippery surfaces:

Reduce Speed - Slow down before you get to a slippery surface. Your motorcycle needs more distance to stop on slippery surfaces. By going slower, you can stop and turn more gradually, lessening your chances of skidding. It is particularly important to reduce speed before entering wet curves.

Avoid Sudden Moves - On slippery surfaces, any sudden change in speed or direction can cause a skid. Speed up, shift gears, turn and brake as little and as smoothly as possible.
